

# CHALLENGE

## Number 1

### Maths: All about the Number One

Home Learning Challenges

Draw or paint a picture of a sunny day. Can you draw or paint 1 sun and 1 cloud in the sky? Can you also draw or paint 1 house and 1 tree?

1

Have a look at some postage stamps. Can you see any numbers? Can you make your own first class stamp with 1<sup>st</sup> written on it? You could make a collection of stamps that have 1 written on them.

Look at a clock, can you see the number 1? Where is it on the clock? What numbers it next to?

Have a look at a reading book. Can you find the page numbers? Can you find page 1? Can you see the number 1 on this page too? Can you trace over the numbers at the bottom of the page? You could try writing the number 1 on your own.

Hidden around the page is a dog. Can you find it? How many spots are on the dog's back? Try writing the numbers to complete this sentence: I can see  dog. The dog has  spot on its back.

Ask a grown-up to help you look at some coins. Can you find any 1p and £1 coins? Can you do some coin rubbings using paper and pencils or crayons? Can you see the numbers or the word 'one'?

1 1 1 1 1 1

## Additional Ideas

- Act out your favourite story or make up a new story
- Practice reading and writing your name, and the names of the people in your family
  - Do a jigsaw
  - Put on some music and dance
  - Watch the Jolly Phonics sounds  
<https://www.youtube.com/watch?v=1Qpn2839Kro>
  - Sing nursery rhymes
- Watch and do a Cosmic Kids yoga session  
<https://www.youtube.com/user/CosmicKidsYoga>
  - Play shops
- Go on a 'Counting Walk' seeing what things you can count around the house.
- Read lots of books together, taking time to talk about what you can see on each page, what has already happened and what might happen next.
