## We're Going To The Zoo

Chester Zoo are offering a free virtual tour of their zoo today (Friday 27th March) via Facebook.

Join in with the tour if you can, and then try the activities below.

Take advantage of the sunny weather by drawing round toys shadows.

See if you can make animals appear in your house and garden. Search for animals in Google, select the option to view in 3d and follow the instructions. I ended up with a tiger in my back garden!

A mobile phone is needed for this activity.
