

CHALLENGE

Phonics Challenge

Draw something with the **igh** sound in then write the word e.g. draw a light/night/fight:

**Draw something with
the sound 'igh' in.**

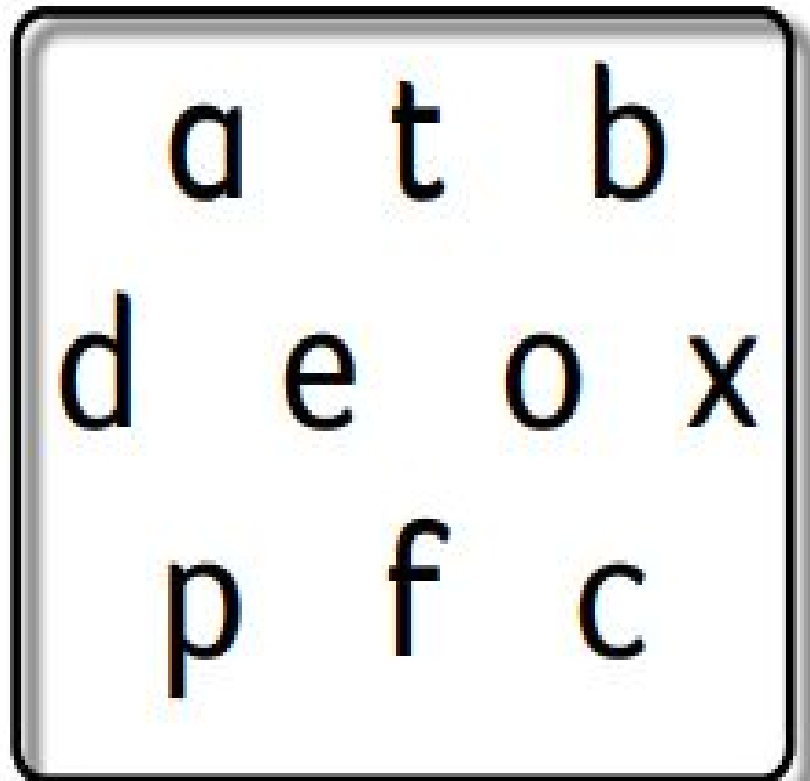

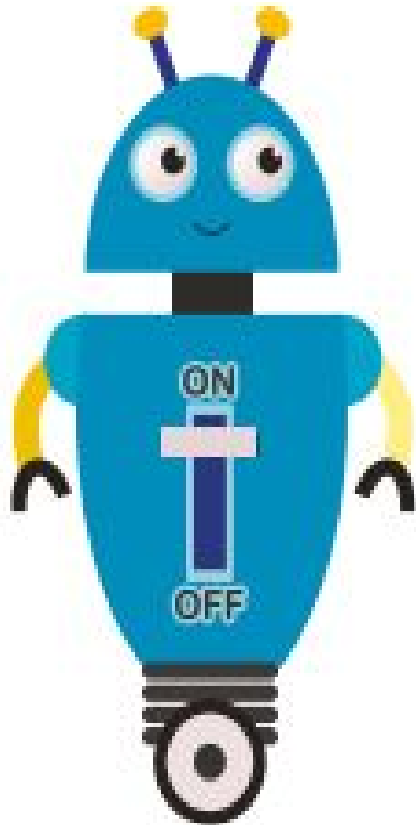

Can you write what it is?

CHALLENGE

English Challenge

How many words can you make? Can you put one of the words into a full sentence?

Ruby Robot has lots of letters in her box. Use them to make some words.

CHALLENGE

Maths Challenge

Read the questions to your child and get them to set it out like the example underneath:

Number problems - Adding

Adding

This one has been done for you:

Read it

I had 3 sweets and my friend gave me 3 more.
How many have I got now?

Draw it

Write it

$$3 + 3 = 6$$

Try doing this one yourself:

Read it

I had 4 sweets and my friend gave me 2 more.
How many have I got now?

Draw it

Write it

CHALLENGE

Adding

Try these word problems in the same way: read it, draw it, write it:

Read it

Jack has 5 toy cars. Annie has 3.
How many toy cars have they altogether?

Draw it

Write it

Read it

On my birthday, I will be 5 years old. I have 4 candles.
How many more do I need for the cake?

Draw it

Write it
