Catch Up Funding

Schools will receive a total of **£80 per pupil** (Reception pupils through to year 6)

This will arrive in 3 instalments - in autumn 2020, 'early 2021' and summer 2021

School will receive a total of £46.67 per pupil split across payments 1 and 2 and a final payment of £33.33 per pupil for payment 3

Which pupils need to access the support.

Although school will receive funding on a per pupil basis, we are advised to use the sum available as a single total to prioritise support. There are no specific requirements for who to spend it on. School should identify pupils that will benefit most from the funding

The DfE recommends the following:

- small group or 1-to-1 tuition particularly through the National Tutoring Programme and Nuffield Early Language Intervention (NELI)
- Extra teaching capacity or summer programmes

STRATEGY STATEMENT
<ol style="list-style-type: none"> 1. The Catch-Up Funding will be used to provide additional educational support to improve the progress and to raise the standard of achievement for pupils who are not on target to achieve their personal targets due to school closure in summer term 2020. 2. The funding will be used to narrow and close the gap between the achievement of these pupils and their peers. 3. The funding will be used to support the emotional well being of pupils in ensuring they feel safe. 4. We will ensure that the additional funding reaches the pupils who need it most and that it makes a significant impact on their education and lives.
