We played our 1st round of league matches last night at Meols Cop.

We played 3 matches: 2-0 against Norwood. 3-0 against St Philip's and 5-0 against Holy Family. All the children were amazing and showed great attitude.

Special mention for Sonnie who scored a fantastic header.

This week year 3 were truly inspired by meeting Anjana Khatwa, via zoom. She is an Earth scientist who explained how her love of rocks and fossils started and became her career. The children were enthused by her passion which has brought our science topic to life!

2K ENJOYED THEIR FIRST EXPERIENCE

Nursery made bird feeders using the apples they picked last week. They were very good at threading the cheerios and apple slices onto the string.

Every year thousands of people join our cleans, recording every piece of litter they find. The data is vital for our campaigning as we seek to influence government and industry to take action to reduce ocean pollution.
