Futsal Competition at Stanley High

Kew Woods were invited to take part in a futsal 5-a-side tournament at Stanley High School. 20 teams entered the competition, with Kew Woods entering 2 teams. The 20 teams were split across 5 groups on 5 separate days, with the winning team from each group meeting in a final, this week. Unfortunately, both of our teams were drawn in the same group. Fortunately, 1 of our teams won that group and progressed to the final. In the final group, Kew Woods finished third place and were only beaten by the overall winners.—well done Kew!!

This Week's Big Question

What is the impact of my energy use?

This week was our first opportunity to explore our new

BIG QUESTION of the week!

Here is a summary of what the pupils thought:

- Y1 — we can turn off tablets, lights and make sure the fridge is closed.
- Y2 — energy releases carbon dioxide and it's bad for us.
- Y3 — if we use the car less it will help the worlds crust and stop the sun coming through.
- Y4 — prices are increasing, therefore, we need to turn things off when we are not using them
- Y5 — thermal. Water and air pollution and green house gases. Main causes are cars with diesel.
- Y6 — we can decrease our energy usage by unplugging our phones, other gadgets and play less on the computer.

Next week's **BIG QUESTION** is

Do red squirrels need protecting?

Forest School

Y5 climbed trees, found stickmen and made dens in Forest School this week.

Nursey enjoyed time outside playing in the snow, learning new vocabulary.

The snowman got to wear a pan for a hat!

I am sure you can guess what history topic Y2 have started to learn about.

The Great Fire of London and the spread of the Great Plague!

Y1 have been exploring painting with colour. They recreated the artwork of Jasper Johns, where they were exploring primary colours and mixing them to make secondary colours. They also got to use a range of brushes to make their marks!

Dear parents,

Places are now available to join a new **12-week football course every Thursday at Stanley High School Southport**, which is open to both boys and girls.

Our courses teach children correct football techniques by FA qualified coaches who have full DBS (CRB) clearance to work with children. The structure for the course is 'FUN through Football,' building confidence for total beginners and moving onto more complex sessions for experienced players.

We provide a **ball per player** for the majority of our drills ensuring children get more touches of the ball and improve quicker than conventional coaching where children are waiting around to have a turn. The sessions are held in the fantastic sports hall so trainers should be worn. Players are also advised to bring a still drink for the session.

The club has links to local junior teams of which players will be able to play for at the weekend. Players who show advanced ability on the course will be recommended for trials at professional academies. Players who have previously attended courses are currently playing for Blackburn Rovers, Preston North End, Manchester United, Liverpool, Blackpool, Everton, Burnley, Bolton, Oldham, Rochdale and Wigan..

The cost of the course is just £5.83 per week, which is payable in two instalments. The first payment of £30 is due when booking your child on and the second payment of £40 due at the first session. Parents are encouraged to watch the sessions but are welcome to leave children, as every session is fully supervised.

****NEW TOURNAMENT FORMAT****

Every four weeks we have a tournament in order for the children to put their new-found skills into practice with medals awarded at the end of the course for various categories.

ALL PLAYERS WILL RECEIVE A TROPHY AND MEDAL at the presentation, which is held on the final week of the course. Additional trophies will also be awarded in each group from categories including; Best Attitude, Star Player, Most Improved Player, Most Promising Player and Hardest Working Player.

To book a place for your child please telephone the number below as soon as possible as a high response is expected.
