21st - World Down syndrome Day—wear odd socks

22nd- Easter Bingo 7pm

28th March  
school ends at  
1:30pm

Yesterday, we celebrated World Book Day and promoted a love of reading. We were delighted with the fabulous support from parents in sending their children to school as a character from a book. We also launched the prestigious Writer of the Year competition for KS2. The best entries will be awarded points for their house team. We finished our day by awarding prizes for the most creative costumes and with a special story titled '*Connect, Kindness and Believe*' written by a team of talented Year 6 writers (Carter, Abdullah, Oscar, India, Tilly-May and Harry). We had a week of fantastic events that included a visit from the poet Matt Goodfellow and a Hogwarts competition of Quidditch!

This week we had a visit from a poet,

Matt Goodfellow. First the children had an assembly, then all of KS1 & KS2 children took part in a workshop and had the opportunity to write some of their own poems. Year 6 especially enjoyed the visit as they had already read his book 'The Final Year' which is written in a poetic verse form.

## Quidditch Day!

KS2 had an amazing day taking part in Quidditch tournaments.

Well done to the winning team—Rowling (Gryfindor)

# #kNOwKnifeCrime campaign and mini marathon bleed control kit fundraiser April 2024

As a school we are always looking for opportunities and ways to educate our pupils on how to keep themselves safe. We have decided to team up again with [#kNOwKnifeCrime campaign](#) and London Marathon 2024 to fundraise for bleeding control kits and cabinets for outside schools in Sefton. Last July we had a fantastic campaign which enabled us to purchase several bleed control kits and a cabinet for outside our school. We now want to continue fundraising so we can see more cabinets around our local area. To do this we have teamed up with the London Marathon 2024.

## Nursery to Year 6 pupils – Mini marathon

We will be having a mini fun marathon event in our school **Tuesday 16<sup>th</sup> April 2024** where all pupils will participate in running/walking 2.6 miles in our school grounds. For participating in this event all children will receive a London mini marathon certificate and our school will receive a trophy.

On Monday we will be having an assembly about how our mini marathon run will fundraise for more bleed control kits. Younger pupils will focus on life saving facts and how running/walking can keep us physically and mentally healthy. We will also discuss how we can achieve ambitious goals by setting ourselves the mini marathon challenge.

Next Thursday **pupils in Year 5 and Year 6** will have an assembly with the #kNOwKnifeCrime campaigner Laura Hughes (who established in Memory of Colin McGinty) a - kNOwKnifeCrime initiative to educate young people on the wider lasting impact of knife crime. The assembly will be age appropriate and help children to consider choices they have. As part of our safeguarding work, we need to educate our pupils on the dangers they may be exposed to. The purpose of the fundraiser is not to scare or worry our community but to raise awareness of the possible risks and raise money to purchase bleed control kits for our local community.

On **Wednesday 17<sup>th</sup> April, 20 representatives from Year 5 and Year 6** will be participating in a relay event. The event will start at Kew Woods at 8am and we will run from our school to Meols Cop High passing on a 'bleed control kit'. Meols Cop High will then run on to the next school participating to show how we are working as a Southport Community to keep our community safe. All children in Year 5 and Year 6 will be supporting the event in some way, should they not be part of the running relay group. 84 schools in Sefton are participating in this event. There will also be relay events in Formby, Crosby, Bootle and Maghull.

To support the campaign, a fundraising link will be sent to parents/carers prior to the event to sponsor the children for the Mini Marathon and the Year 5 and Year 6 pupils representing our school during the #kNOwKnifeCrime campaign relay.

# This Week's Big Question

## 8th - International Women's Day

### Should everyone have the right to education?

**BIG QUESTION** of the week!

Here is a summary of what the pupils thought:

Y1 — Everyone should have an education to learn lots and be able to read a story. It also means parents can teach their own children and people can get jobs.

Y2 — Yes because we need to learn so we can get a job and earn money. Also if you don't learn you won't find out about the amazing planet we live on. It is also important to learn about the past.

Y3 — Everyone needs to learn so they can get a job.

Y4 — Everyone should have an education so people know how to stay healthy, tell the time and how to use money. If girls weren't educated it would only be boys who could work. It also helps us meet new people and makes everyone equal.

Y5 — Education should be provided to everyone to make things fair and people can learn how to keep themselves safe. You can learn skills then this helps you get a job and earn money to live.

Y6 — Everyone should have a right to an education, it is a right to learn key skills as it gives you power and success. No one should be limited with the right to learn. In prison people are educated to reform themselves and that is important.

Next week's **BIG QUESTION** is

**Fairtrade fortnight**

**Why should I buy fairtrade?**

# Attending your appointment via video

5 -19 yrs - School Nurse Team – North Sefton Area.

Where appropriate, you can attend your consultation online via a video call.

Video calling is as convenient as a phone call, with the added value of face-to-face communication.

It can save you time and money, and brings your care closer to home.

## Where do I go to attend my appointment?

Go to: <https://nhs.vc/schoolnursesseftonhamptonrd>

Instead of travelling to your appointment, you enter the clinic's online waiting area. The health service is notified when you arrive, and your clinician will join you when ready.

There is no need to create an account.

No information you enter is stored.

- ✓ **What do I need to make a video call?**
- ✓ **A good connection to the internet**  
If you can watch a video online (e.g. YouTube) you can make a video call
- ✓ **A private, well-lit area where you will not be disturbed during the consultation**
- ✓ **One of these:**
  - 🌐 Google Chrome web browser on a desktop or laptop, or on an Android tablet or smartphone
  - 🍏 Safari web browser on an Apple iMac, MacBook, iPad, or iPhone
- ✓ **Web-camera, speakers and microphone** already built into laptops or mobile devices

## Is it secure?

Video calls are secure; your privacy is protected.

You have your own private video room that only authorised clinicians can enter.

## How much internet data will I use?

You don't use any data while waiting for a clinician to join you.

A video call uses a similar amount of data to Skype® or FaceTime®.

## How much does a video call cost?

The video call is free (except for your internet usage).

## Smartphone and tablet users

If you can, connect to a home or work Wi-Fi network to avoid using your mobile data allowance.

See over for more information on how to make a video call

## Get ready to make video calls

Make sure that you use one of the following web browsers

-  Google Chrome  
Windows 7+, Android 5.1+, MacOS 10.11+, iPadOS 13+
-  Apple Safari  
MacOS 10.12+, iOS 11.4+, iPadOS 13+

Go to: <https://nhs.uk/schoolnurses/settingonhamptonrd>

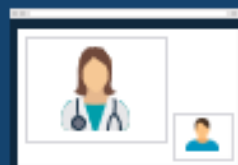

1

On this web page, click the **Start video call** button and follow instructions

2

Wait in your own private video room

3

Your healthcare provider sees you arrive in the waiting area queue...

4

...and joins you in your video room when they are ready
