#kNOwKnifeCrime - bleeding control kit fundraiser mini marathon 2024

What an incredible week we have had running our mini marathons. On Tuesday all of our children from Nursery to Year 6 ran 2.6 miles around our school grounds seeing London landmarks as they ran. All of them worked so hard on completing their challenge and achieved their personal goals to feel proud of. On Wednesday, 82 schools across Sefton completed in our symbolic relay event showing that we don't want knife crime in our community and want to keep our community well resourced and safe in the event of an incident. So far we have raised nearly £11,000 across Sefton schools, which is phenomenal. We were also so proud to see our school and community feature on Granada Reports on Wednesday evening.

This Week's Big Question

Can art change the way you think?

BIG QUESTION of the week!

Here is a summary of what the pupils thought:

1K- Art doesn't always change the way you think, but it can inspire you.

1W- Art can change your mood, making you feel emotions.

2K- Art can make you happy, or sad. For example a song. Pictures can make you feel sad.

2W- There are lots of different types of art, and they can make you feel happy, sad, sympathetic and other feelings. Art can make you think about different issues.

3K- Art takes many different forms and can make you think differently about different issues.

4K- Art can be powerful- for example photography can make us think about the impact on the environment.

4W- Art can change your mind, make you feel calm and relaxed. It can inspire you and change your opinions.

5K- Art can change the how, why and if. It can inspire emotional changes, no matter what type of art it is. It can be used to celebrate our differences, which is a good thing.

6K- We discussed what art is, and how art has a mood that can impact your own mood. Through art you can experience real life problems.

6W- Art is subjective, and can mean different things to different people. It has the power to influence how people think

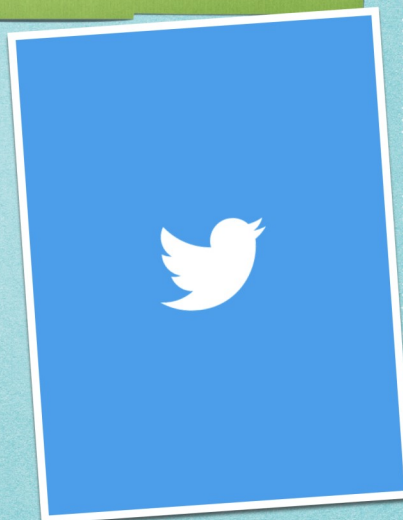

Next week's **BIG QUESTION** is

22nd April – Earth Day

Why is it important to have so many different plants and animals on Earth?

Y4 have been making flutes to see how high and low pitch is created .

Year 3 had their first drama workshop with Richard as part of their coastal voices project. They looked at how we move in response to our environment. Moving around the pine woods as human or animal into the sun or the wind.

Great result for our B team in their semi final match on Thursday night.
Onto the final of the Greenhall cup.
Well done!

Y1 have been making 'Moving Mechanisms'.
They spent an afternoon making their vehicles, demonstrating knowledge and understanding of the key vocabulary and skills.
They thoroughly enjoyed testing their moving mechanisms!

Dear parents,

Places are now available to join a new **12-week football course** every **Thursday** at **Stanley High School Southport**, which is open to both boys and girls.

Our courses teach children correct football techniques by FA qualified coaches who have full DBS (CRB) clearance to work with children. The structure for the course is 'FUN through Football,' building confidence for total beginners and moving onto more complex sessions for experienced players.

We provide a **ball per player** for the majority of our drills ensuring children get more touches of the ball and improve quicker than conventional coaching where children are waiting around to have a turn. The sessions are held on the fantastic 3G pitch so trainers should be worn. Players are also advised to bring a still drink for the session.

The club has links to local junior teams of which players will be able to play for at the weekend. Players who show advanced ability on the course will be recommended for trials at professional academies. Players who have previously attended courses are currently playing for Blackburn Rovers, Preston North End, Manchester United, Liverpool, Blackpool, Everton, Burnley, Bolton, Oldham, Rochdale and Wigan.

The cost of the course is just £6.25 per week, which is payable in two instalments. The first payment of £25 is due when booking your child on and the second payment of £50 due at the first session. Parents are encouraged to watch the sessions but are welcome to leave children, as every session is fully supervised.

****NEW TOURNAMENT FORMAT****

Every four weeks we have a tournament in order for the children to put their new-found skills into practice with medals awarded at the end of the course for various categories.

ALL PLAYERS WILL RECEIVE A TROPHY AND MEDAL at the presentation, which is held on the final week of the course. Additional trophies will also be awarded in each group from categories including; Best Attitude, Star Player, Most Improved Player, Most Promising Player and Hardest Working Player.

To book a place for your child please telephone the number below as soon as possible as a high response is expected.
