Well done to all the children that represented the Southport Learning Trust, taking part in the Mini London Marathon. The 6 children we took were amazing and a credit to the school. It was a wonderful opportunity for all; sightseeing, going on the London Eye and watching Wicked the musical. The trip united children and staff from across the trust and was thoroughly enjoyed by everyone.

### ATTENDANCE:

School attendance this week is 94.2% which is above national average. Well done to class 3K & 5W who had the highest attendance at 98.6%

### Dates:

#### April

# This Week's Big Question

22nd April – Earth Day

## Why is it important to have so many different plants and animals on Earth?

**BIG QUESTION** of the week!

Here is a summary of what the pupils thought:

RK- We need animals and plants for food. e.g. eggs and milk.

RW- We talked about how plants can turn bad air into good air so we can breathe.

1K- Trees give us oxygen to help us breathe so we need lots and lots. Also, we get paper and wood. Animals can also give us food. Every animal does something different for the world.

1W- We need animals and plants to survive. They can make us feel better, because some medicines are made from plants.

2K- We need plants because if we didn't, things we use and eat everyday would not be here.

2W- plants and animals make this world a brighter place. We learn how to look after them and they give us food and oxygen.

3W- Earth would be boring with only one animal. The world is a wonderful and varied place with lots of different things.

4K- Trees and plants and give us a lot of oxygen. Some can become medicine and foods. Animals eat plants, so we can use food and things from them. We need to protect this planet.

4W- We use plants to make medicines and products. Animals can help us in so many ways, like people with disabilities.

5K- It is important to have plants because they give us oxygen and they look nice. Some animals can reduce fears and support us.

6K- Having a diverse range of plants and animals is important because they keep the balance of life cycles running. A diverse range of species shows that some animals adapt to environmental changes.

Next week's BIG QUESTION is

**Is it possible to communicate through dance?**

### This Week's Class Dojo Winners

Bobby	RK
Maja	RW
Harper	1K
Darcey W	1W
Hera	2K
Olivia W	2W
Thomas	3K
Sophie	3W
Ruby	4K
Taylor	4W
Brooke	5K
Kamile	5W
Gracie	6K
Tia & Sarah	6W

This week our Year 5 and 6 School Council members had an amazing opportunity to go and visit Ivy Gate Lodge Care Home, as part of our Intergenerational Linking Project. Pupils joined in a game of bingo with residents, some children even had a go at being a bingo caller! Prizes were won by both residents and pupils!

2K were very excited to be back at forest school for this half term! They loved exploring , climbing trees and creating houses for insects!

Our year 3 footballers had a great time at the football competition. After a close tournament , we had the dreaded penalty shoot out which we lost. However it was still a fantastic second place well done.

Nursery have been busy planting sunflower seeds this week. They have learnt all about what their sunflower will need for it to grow.

**Well done to our Year 5/6 Tag Rugby team! They played well winning 6 out of 7 games and finished with the silver medal! Excellent team work!**

**4K have enjoyed forest school! One of the children built himself a den! Some other children made ice cream for all the adults outside with them!**

Y5 have enjoyed reading letters from their pen pals. They are very excited to be seeing them next month!

Reception have been improving their fine motor skills by cutting strips of paper to create lion masks!

A representative from Tesco presented us with a cheque for the Stronger Start Grant we were awarded. Thank you again to all who voted for us.

6K had an absolute ball in forest school this week! They enjoyed climbing trees and swinging down! Some other children faced their fear of snails!

# Piano & Guitar Lessons

at Kew Woods Primary School

## Piano and Guitar lessons at Kew Woods Primary School

Link Learning are offering piano and guitar lessons at Kew Woods Primary School. Lessons are held weekly during the school day with tutor Paul. We'll be in touch with you once we receive your registration to answer any questions you may have.

All our tutors are enthusiastic musicians able to teach up to a high level and have recent DBS certificates.

For any queries please get in touch via telephone at 07305507504 or email at [admin@linklearning.education](mailto:admin@linklearning.education)

### What we offer

- Creative tuition tailored to the interests and learning style of the individual
- Audio recordings arranged throughout the year
- Termly progress reports

### Tuition price (15 min)

Individual - £9 per lesson (15 minute duration)  
Paired - £6.50 per lesson  
Guitar only, max size 2 (15 minute duration)

Please register at [www.linklearning.education/register](http://www.linklearning.education/register)

LinkLearning is a team of teachers, musicians and artists who believe that every child should have the opportunity to develop and express their creativity.

We work with schools, children's hospitals and community centres to deliver high-quality creative activities that encourage exploration, discovery and experimentation.

In our music lessons we focus on the individual learning styles and interests of our pupils.
