## Tom Bosworth

We were extremely lucky to have Tom Bosworth in our assembly this week. He came to celebrate our achievements in completing our mini marathons and raising £18007 for bleed control kits. He presented our pupils with their trophy for the mini marathon and shared with us his own achievements. Tom is a British two-time Olympic race walker who holds three World bests, including the World Best for the 1Mile race walk, 5:31.08. He also holds six British records, won 13 British Championships gold medals, a silver Commonwealth Games medal and is a World European Olympic Games finalist. Tom is currently ranked 1st overall in the UK for 20 km. He holds British records for walking 3 km, 5 km, 10 km and 20 km, with his Personal Best for 20 km at 1:19:38.

# This Week's Big Question

## Where does happiness come from?

**BIG QUESTION** of the week!

Here is a summary of what the pupils thought:

1k- happiness comes from yourself and other people.

1W- happiness comes from yourself, your heart and your feelings. It also comes from family and friends.

2k- happiness can come from one person to begin with, but it quickly spreads to others, making the world a magnificent place.

2W- happiness can come from anywhere, and comes from within. Some people cannot have happiness without feeling sad.

3w- happiness can be found in lots of places, mostly deep down inside us.

4k- family, friends and pets can make us happy. It is important to make others happy, because that makes us happy.

4W- happiness is different from one person to another. It is important to share happiness.

5k- inside your brain there is a chemical that is released which makes you feel warm and fuzzy. Do things you love and this will be released.

5w- happiness is inside you. It can only come from your heart. Things help this happiness be released.

6k- family makes us happy. Hobbies make us happy. We agreed that family comes first, but happiness is different for all. It is important to respect one another's happiness.

6w- happiness is being kind, starting with family and friends. It is important to have a hobby to make you happy.

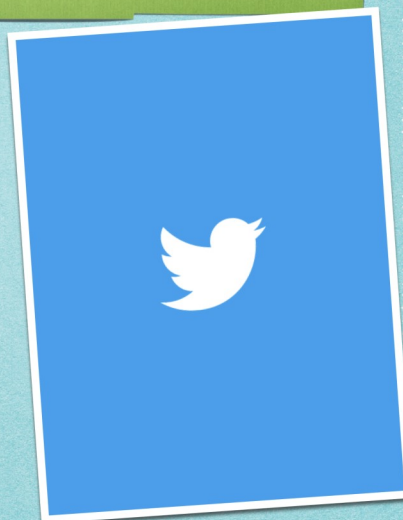

Next week's BIG QUESTION is

**15th May – International Day of Families**

**What truly makes a family?**

The B team played Churchtown B team in the Greenhall Cup Final at Southport FC. We won 4-1! Amazing team work, well done! They also had the added bonus of being presented their trophy by athlete Tom Bosworth in assembly.

The Year 5/6 netball team played away against St John's Crossens Primary School. Although we lost the match, it was a lovely game to watch. We were defensively strong throughout with lots of great interceptions. In the attacking third the girls tactfully passed around the circle waiting for the GS and GA to get free. Player of the match goes to Lucy! Well done team!

The Year 3/4 Tag Rugby team won all of their matches at Southport Rugby Club. They played Scarsbrick Hall School in the final and beat them 5-0! Well done team!

This week in forest school 2K enjoyed creating a bug hotel!
